

Hi Everyone!

Welcome to Unity Southwest Region 2018 Conference! I am so excited about our program Unleash the Power of Paradox with Rev. Kelly Isola. With every conference theme we endeavour to bring topics that are relevant not only to all levels of ministry but are personally enriching as well. I believe you will find Rev. Kelly's presentation challenging—with support, and inspirational—with tools for practical application.

We certainly have business to attend to with our Business Meeting along with updates from Unity Worldwide Headquarters and Unity Worldwide Ministries, where we'll hear what is on the horizon for us as a Region and across the broader Movement.

Of course, what would our conference be without time to connect heart to heart? Your conference planning team was conscientious and intentional to ensure the daily schedule included spaciousness to do exactly that. You can relax, be social, and share quality time with your friends and colleagues in a beautiful setting that will nurture you and them.

Thank you for saying "Yes" to the call of your soul to be a part of this wonderful gathering. On behalf of the entire Board, safe travels and we look forward to seeing you then.

Many Blessings,
Rev. Karen Epps
President
